EMS TEACHER

We are looking for a **qualified teacher** who has an exceptional understanding in the subject of Economic Management Sciences as a primary subject of expertise. We offer market-related salaries for enthusiastic teachers. Ideally to start immediately.

About Us:

We are on a mission to be the leaders in integrating interdisciplinary learning methods with conventional learning within our disciplined, yet fun, creative, innovative, and entrepreneurial culture so that our students can grow and thrive now and in the future!

About You:

- Primarily, you are enthusiastic about children and the future of education.
- You are smart and driven and you want to work for a forward-thinking, innovative school.
- Knowledge of hybrid teaching models as well as use of Google Classroom
- Knowledge of evolving teaching and learning methods.
- Strong team-player but you can work independently and take ownership of your work.
- Excellent communication skills, fluent in English both written and verbal
- Strong organizational skills to manage the subjects of EMS.
- Ability to break down complex accountancy concepts in understandable chunks and to create the capacity for critical thinking in your students.

Qualifications:

- BEd OR PGCE OR professional qualification in a relevant field + a valid SACE.
- 2 years or more experience teaching the required subjects.

Are you a good match?

We are serious about our team because we believe in people first! Our team of enthusiastic, energised, and professional Edu-coaches work together as a powerhouse of good, creating the benchmark for teaching & learning in the 21st century and happy children!

How to apply:

If you're all the above and interested, you could be our newest teammate. To apply, submit your CV and introductory letter to:
