- You may opt for alternative name brands on the condition that the quality is the same as the prescribed stationery.
- You may also reuse any stationery left over from the previous year if it is in good working condition.
- Please ensure that all textbooks are covered with plastic and clearly labelled with your child's full name and surname.
- A4 workbooks need to have the subject's cover page on front and then covered with clear adjustable plastic covers (no book covers required) students can create their own front cover provided it has the student name, subject, teacher and grade visible.
