### GRADE 10 to 12 - STATIONERY LIST 2026

Dear Parent/Guardian,

**Please note:**

1. You may opt for alternative name brands on the condition that the quality is the same as the prescribed stationery.
2. You may also reuse any stationery left over from the previous year if in good working condition.
3. Please ensure that all workbooks and textbooks are covered with plastic and clearly labelled.
4. A4 workbooks need to have a cover page on the cover and then covered with clear adjustable plastic covers. Students can get creative and create their own appropriate front cover provided it has the student's name, subject, teacher and grade clearly visible
5. All stationery to be clearly marked with your child's name.
6. Please re-check your child's stationery at the end of each term and replenish what is needed for the following term.
